## READING & WRITING - PAIR WORK

We read the summary below and rate our common production, saying **WHY** we both agree or not on our ratings:

First, Mark **calls** his sister Amy on the phone.  
 She **says** she **is** fine and she **asks** him if everything **is** OK.  
 He **says** he just **had** another usual work day.  
 Then Mark **asks** his sister where she **is**.  
 Amy **answers** she **is** in Barcelona on a boat and she **will take part** in a dance competition the same night.  
 She **is** sure she **will be** the best.  
 Finally, Mark **agrees** and **wishes** his sister to have a good time.  
 They both **say** goodbye.
